**ANDORRA** - Where's Andorra? All but lost between France and Spain, like the fairy tale pea in the mattresses, the pocket-sized principedom of Andorra comprises just a few hundred kilometers of mountainous landscapes and meandering rivers. Though it is tiny, this political anomaly contains some of the most dramatic scenery - and the best skiing - in the Pyrenees with 65 peaks over 10,000 feet. Andorra has achieved the world record for the number of ski lifts per number of inhabitants in a country and is also known for the complete and duty-free shopping where you'll find the best price on electronics and cashmere sweaters, beer is inexpensive too!

**Sport Hotel 4\*:** Stay across the street from main gondola station at the traditional **Sport Hotel** located in Soldeu, located at 1.850 metres above sea level in the heart of Andorra and in front of the gondola lift with direct access to the ski slopes of Grandvalira. Each alpine style room is appointed with bath, shower, w.c., telephone, satellite TV, safe and some have balconies. The hotel has a complete European style Spa (additional cost) offering the finest in services, sure to relax and rejuvenate even the most diehard skier. Breakfast and dinner are a traditional European buffet. Ski locker is provided near the gondola.

**BARCELONA** - After a week of skiing in Andorra, end your adventure with a stay in the unique city of **Barcelona, Spain**. The **Hotel Avenida Palace (4\*)** is a classic in Barcelona and takes advantage of its magnificent location in the city center\*, steps away from La Rambla, Gaudi architecture, the Picasso Museum, FC Barcelona Museum and Stadium. The hotel, which has recently been renovated, offers classical Catalan hospitality in a privately managed hotel.
